The Community Health Endowment

The Community Health Endowment, formerly known as Tri-County Community Health Center Endowment, was established to support the activities of a health center that is now closed. One purpose of the Fund is to support projects that focus on health and wellbeing of DeKalb County low-income or otherwise vulnerable populations. This support can be in the form of service, research, and/or educational projects regarding community health and wellness. Applications for funding will be accepted once a year and will be due November 15th.

Criteria for Projects

1. Project leader full time CHHS faculty or staff
2. Project must have an impact on health and wellbeing of DeKalb County low-income or otherwise vulnerable populations.
3. Project must involve CHHS students.

Applying for Funding

For consideration, the completed application must be approved by your school chair and submitted to the CHHS’s Dean’s Office. Applications can be found on the College website. Funding decisions are generally made within one month of submission of the application.
