

# College of Health & Human Sciences Northern Illinois University

## Bachelor of Science in Human Development and Family Sciences: Emphasis 1: Family and Individual Development

---

### Transfer Guide for Illinois Community College Students<sup>1</sup>

This transfer guide is designed as an advising tool to facilitate a smooth transition between institutions by identifying relevant course work recommended to be completed prior to transfer.

Community college students are encouraged to

- Complete an A.A. or A.S. degree prior to transfer
- Utilize the *NIU Articulation Handbook* for information regarding the transferability of courses:
- Consult with the College of Health and Human Sciences and/or review the websites for their intended majors for detailed information about special requirements, program admission requirements, and course requirements. [www.chhs.niu.edu](http://www.chhs.niu.edu)

The mission of the School of Family and Consumer Sciences at Northern Illinois University is to generate and transmit knowledge that supports families and individuals in meeting human needs for self-development, social interaction, resource allocation, clothing, food, and hospitality. All programs lay the groundwork for graduate study.

All three emphases in Human Development and Family Sciences prepare the student to work as professionals serving families and children. The [\*Family and Individual Development\*](#) emphasis provides career enhancement for students who have prior work experience with individuals and/or families, or who plan to pursue a career in higher education in Human Development and Family Sciences and related fields. It is recommended as a preparation for advanced degrees in related fields with a research rather than a service focus. Students hoping to do graduate work should strongly consider a minor in sociology, psychology, or political science.

---

<sup>1</sup> Based on requirements in the 2018/19 *Undergraduate Catalog*

## Major in Human Development and Family Sciences: Emphasis 1, Family and Individual Development
