

NORTHERN ILLINOIS UNIVERSITY

**Child Development
and Family Center**

Participation Application

Faculty wishing to utilize the Child Development and Family Center as an observation site for their course must complete the following application and read through the Observation, Participation and Research Policies and Procedures prior to utilizing the Child Development and Family Center as an observation site. In addition to completing the application, a copy of the assignment/project must be submitted.

Course Instructor: _____ Date of Request: _____

Course Number and Name: _____

Observer's Name and Z-ID (Attach list if multiple): _____

What is the purpose of the activity/project?

What is the desired outcome of the observation? (Assignment, Research, Publication?)

What materials will be used?

How has the student been prepared for this experience?

By signing this application, I certify that the above is true; that confidentiality rules and regulations have been discussed with students enrolled in this course; and that I have advised all students to read and review the Observation, Participation and Research Policies and Procedures posted online.
