

Possible Courses for Second Teaching Endorsement in Family and Consumer Sciences (FACS)

(8-23-2019)

Must currently hold a teaching license in another subject matter/field at either the middle or secondary level. For the second endorsement – must meet all current Illinois State Board of Education Requirements.

Middle School Level — Second Teaching Endorsement in FACS: Must hold Professional Educator License with a middle level endorsement. Twenty one credits are required for second endorsement plus: 3 semester hours in the methods of teaching FCS in middle grades, and the successful completion of the state mandates tests (ILTS 172, General Middle Level test). See MLTL program on page 130 of current undergraduate catalog.

High School/Secondary Level — Second Teaching Endorsement in FACS: Twenty-four credits are required for second endorsement (which includes at least nine credits in one of the following areas of designation: Nutrition, Wellness and Hospitality; Apparel and Textiles; or Living Environments).
