## College of Health and Human Sciences

### **Bachelor of Science (B.S.) in Health Sciences – Degree Completion Emphasis McHenry County College – AAS EMT-Paramedic<sup>1</sup>**

The Bachelor of Science in Health Sciences program is designed to prepare the student to enter allied health and other health related fields. The health sciences program focuses on providing the student with a strong foundation through general education and health science-based curriculum with a focus on health care leadership skills, financial principles, management strategies, and standards to improve patient care.

The degree completion emphasis is off-campus/online and is designed uniquely for health and human sciences professionals. Applicants must be practicing health or human sciences professionals who hold a current professional credential, certificate, or license in a health or human sciences field and have completed an applied associates degree program or equivalent number of credits. The professional credential, certificate or license must be in the field in which the degree was earned.

<b>AAS EMT-Paramedic: MCC program requirements and applicability toward NIU general education and/or major requirements for the B.S. in Health Sciences</b>	<b>MCC required course</b>	<b>NIU Articulation</b>	<b>NIU Requirement satisfied</b>
	Communications: Choose ENG 151 (3) & SPE 151 (3)	ENGL 103 – Rhetoric and Composition I; and COMS 100 – Oral Communications	GE Foundational Studies
	Humanities (3) – select from ENG 252-256, 260, 261, 270, 271, 275-277; SPE 155, JRN 165, 180; ART 150, 151, 155, 157, 165, 171, 172, 174, 175; MUS 101, 151, 153, 154, 171, 172; PHI 151, 155, 160, 261, 262; or THE 151	GE Creativity & Critical Analysis	GE Creativity & Critical Analysis

### **Academic Advising**

All NIU students must meet university graduation and general education (GE) requirements. Degree completion students work with an NIU advisor to identify GE deficiencies and monitor progress toward completion of these and other university graduation requirements (i.e. 120 total credit hours with at least 30 hours from NIU.)
